It's truly amazing how much we accomplish during the Christmas season in a very short window of time. We couldn't do what we do without each of you!

Each season continues to get tougher to say the least but everyone continues to persevere and get through it no matter what challenges or obstacles are thrown our way.

I can't express how proud I am of my team & also our other teams in the company for finishing off the season strong and making the 2023 Christmas season a success! Just wanted to share a few flask back & highlight photos from the season. I hope all of you and your families have a Very Merry Christmas & a Happy New Year! Thanks for All you do!

Notes from our leaders at Stinchcomb Associates

David Stinchcomb – CEO and Owner

Merry Christmas, may God bless you and your loved ones. Hopefully we can all take a breather, step back and enjoy the reason for the season. The last couple of weeks I have traveled to several of our markets, Chicago, Dallas, Florida, New York and Ohio— I am continually impressed with you all!! The dedication, hard work, creativity!!!! (Some of your Christmas sets are legendary) and just plain and simple great people. I continually say and know we are the best in the business, that is a fact—but more importantly you all are the great teammates, caring about each other— doing whatever it takes—helping each other succeed. I am truly blessed to get to work with you all and look forward to seeing you all after the Christmas break. I will continue to strive to make sure you all have the best company/family environment to work in and for. Enjoy the Christmas break 🙏

God bless,
David stinchcomb
